

Dear Hiring Manager,

I am writing to express my interest in the Software Engineer position (Job ID: 439017). I recently completed my Bachelor of Technology in Computer Science with a CGPA of 9.3 and am eager to begin my professional career in software development.

During my academic journey, I developed strong programming and problem-solving skills through projects and continuous learning. I have experience working with HTML, CSS, JavaScript, Node.js, Express.js, MongoDB, and Bootstrap while developing a full-stack hotel booking application. Additionally, I have been expanding my technical expertise in modern development and DevOps tools such as Docker, Jenkins, Kubernetes, and Ansible.

I am passionate about software engineering, data structures, algorithms, and building scalable applications. My strong academic performance, willingness to learn, and dedication to delivering quality solutions enable me to contribute effectively to a development team.

I would welcome the opportunity to discuss how my technical skills, enthusiasm, and commitment to growth can contribute to your organization. Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

Amit Sain
